

Mind Mechanics

A Unique & Entertaining Conference Presentation

Grant Boddington

... is NZ's own master of positive communications. Grant is a **unique & entertaining** professional speaker, who presents a fresh approach to effective **Positive Communications Skills** *as only a Registered Clinical Hypnotherapist can!*

Grant's hugely entertaining, informative and fun-filled presentations are suitable for any corporate conference or training seminar.

Training + Entertainment = ENTER-TRAIN-MENT

Grant provides practical information in memorable ways to help them stick in the minds of attendees; to be used later in more of their professional communications.

There are many entertaining and intriguing demonstrations, practical exercises, handouts and even free motivational audio MP3 downloads for all attendees.

WARNING! A **Mind Mechanics**[®] presentation is very interactive which requires audience participation. Also, willing volunteers may be invited up to the stage to assist in some of the more powerful demonstrations.

Investment: Grant's realistic fees reflect his passion for sharing his wealth of knowledge and experience in the **Power of Suggestion!**

A 1-2 hour presentation in NZ averages just \$1850.00!

Contact Grant Now for more information on how he can help your people to modify & improve their **Positive Communications Skills!**
